The Combe Valley Code

Respect. Protect. Enjoy.

**Respect** other people
- Much of the park is on private land. Consider the people who live and work on the land, along with others enjoying the outdoors.
- Leave gates and property as you find them and follow paths unless wider access is clearly available.

**Protect** the natural environment
- Leave no trace of your visit and take your litter home.
- Keep dogs under effective control.

**Enjoy** the outdoors
- Plan your visit ahead and be prepared.
- Follow the advice in this leaflet and on the park signs.

Looking after your park and yourself

Please keep yourself and others safe and protect the animals and plants which live here, the peace of the countryside and the livelihoods of the farmers who look after it.

- Plan your route ahead and follow the designated paths. Numbered posts mark the way (shown on the map overlaid) so you can work out where you are.
- Make sure that you wear suitable clothing, footwear, and carry some food & drink if you plan to stay out for a long time. A mobile phone will help if there's a problem. If you have a Smartphone you can use the QR codes on the signs to find out more about the park.
- Please close every gate you open and leave property as you find it.
- Leave farm animals to graze in peace and avoid areas of crops.
- Dogs to be kept under control at all times. Farmers have the right to destroy those endangering their animals.
- Please ensure that you clean up after your dog. Litter spoils the area for everyone and can injure or kill farm animals and wildlife. Please take it home.

**Leave nothing behind but...**
